

Loon Lake District History 1991 -2016

- 1991** Lake study by Foth & Van Dyke
- 1992** Lake study by Foth & Van Dyke
- 1993** Lake study by Foth & Van Dyke
- 1994** Weed harvesting by Midwest Aquatics
- 1995** Weed harvesting by Midwest Aquatics
- 1996** Weed harvesting by Midwest Aquatics and land purchase of 89.25 acres of wet lands.
- 1998** Land purchase of 32.1 acres of wet land for a total of 120.35 acres and about 4100 lin. Ft. of shoreline
- 1999** Weed harvesting by Midwest Aquatics and purchase of a new dock for boat landing.
- 2000** Purchase of 22,000 weevils from Enviroscience
- 2001** Purchase of 13,000 weevils from Enviroscience
- 2002** Lake study by Aquatic Biologists
- 2003** Treatment and lake survey by Aquatic Biologists
- 2004** Treatment and lake survey by Aquatic Biologists
- 2005** Treatment and lake survey by Aquatic Biologists, Clean Boat-Clean Water inspection at boat landing.
- 2006** Treatment and lake survey by Lake and Pond, CB-CW inspection
- 2007** Treatment and lake survey by Wisconsin Lake and Pond, CB-CW inspection and put out zebra mussel traps sample sent to the DNR.
- 2008** Treatment and lake survey by Wisconsin Lake and Pond also DNR did a rake toss and a point intercept survey, Army Corp also did a survey. CB-CW inspection and zebra mussel traps.
- 2009** Treatment by Cason and Associates, DNR point intercept and Army Corp lake survey. CB-CW inspection and zebra mussel traps.
- 2010** Treatment and Hydro Acoustic survey by Marine Biochemist, DNR point intercept and Army Corp lake survey. CB-CW inspections, zebra mussel traps and DNR Citizen Lake Monitoring Network
- 2011** No treatment, Hydro Acoustic survey, DNR point intercept and Army Corp survey. CB-CW inspection, zebra mussel traps and DNR Citizen Monitoring Network.
- 2012** Treatment and Hydro Acoustic survey by Marine Biochemist, DNR point intercept and Army Corp lake survey. CB-CW inspections, zebra mussel traps and DNR Citizen Lake Monitoring Network.
- 2013** Treatment and Hydro Acoustic survey by Marine Biochemist, DNR point intercept and Army Corp lake survey. CB-CW inspections, zebra mussel traps and DNR citizen lake monitoring network.
- 2014** No Treatment, Survey by Marine Biochemist, DNR point intercept and John Skogerboe survey. CB-CW inspections, Zebra mussel traps and DNR citizen lake monitoring network.
- 2015** Treatment and Hydro Acoustic survey by Marine Biochemist, DNR point intercept and John Skogerboe survey. CB-CW inspections and citizen lake monitoring network.
- 2016** Treatment and Hydro Acoustic survey by Marine Biochemist, John Skogerboe survey, CB-CW inspections, citizen lake monitoring network and Onterra conducted a comprehensive lake management plan.
